

PAYMENT POLICY

CUSTOM-MADE ORTHOTICS (a 50% deposit will be required)

The case fee for custom-made orthotics is 485\$ (375\$ for children under 14). This includes the casting, fitting, 4 months of follow-ups and one annual orthotics examination. The fee does not include Chiropractic treatments. There will be no additional charges to the patient for evaluation and adjustments to the orthotics during the 4 month follow-up period.

The orthotics are warranted against defect and breakage by the lab for a period of 6 months.

Due to the nature of medical conditions it is not possible to guarantee the effectiveness or results of prescription orthotics therapy. However, Bruyere Foot Specialists will make every effort to assure that these treatment modalities perform as best as possible. These orthotics are custom-made for **YOU** and **NOT** returnable for refund or credit. Other sets of orthotics can be ordered at a reduced price if 348\$ within 4 months of the first pair.
